- This proposal is in a Green Field site. Other Brown Field sites in this area should be developed first prior to Land Zoning of Green Field sites.
- This application is for Housing in an area designated as one of Natural Beauty
- Drumbeg is a Hamlet and does not have the Infrastructure to support the increased Transport requirements necessitated by this development. Presently there is no capacity to allow this to occur.
- Presently there is no capacity to allow entrance to and exit from this site unto the Quarterlands Road which is a narrow country road.
- The increase in the volume of traffic necessitated by this development is not sustainable.
- There will be increased demand for the supporting services e.g. Sewage, and. Electrical supply. Presently no Gas is available.

Summary: Therefore as there is no infrastructure or capacity to support the increase in Transport and Sewage facilities needed, this area cannot support this development. As this area is designated as an area of Natural Beauty it should be retained as such
